## Unit 3, Session 1 Scope and Sequence for Word Study, Reading, and Spelling (Moats & Tolman, 2016)

**Note:** This chart is based on customary placement in reading and spelling curricula. There is no one accepted scope and sequence in the field. Grade levels for reading and spelling are approximate and will vary in appropriateness according to students' achievement levels. The progression is intended to move gradually from simple to more complex linguistic constructions.

Consistent Phoneme-Grapheme Correspondences			
Grapheme Type	For Reading	For Spelling	Examples
Predictable consonants: m, s, t, p, f, c (/k/), n, d, t, j, k; v, g (/g/), w, th, y, z, x	K	K	him, rapkin
Predictable short vowels: /i/, /e/, /o/, /u/ spelled with a, i, o, u, e	K	K-1	wet, picnic
Long vowel sounds associated with single letters: a, e, i, o, u; open syllables in one-syllable words	K	K-1	me, he, we, be, so, no, hi

## LETRS Phonics and Word-Reading Survey

### Letter Naming

Say: "I'm going to show you some letters in mixed-up order. Tell me the name of each letter as you point to it. Remember, tell me the name, not the sound."

### Uppercase

M	S	R	A	L	E	H	B	Q
T	G	F	J	N	Z	Y	W	C
K	D	U	X	P	V	I	O	

### Lowercase

o	f	e	d	j	n	k	h	l
c	i	t	w	a	r	v	g	u
s	b	x	m	p	q	y	z	

### Letter-Sound Correspondences: Single Consonants and Digraphs

Say: "I'm going to show you some letters in mixed-up order. When you see the letter or letter team (digraph), say the sound that it represents. Do not say the letter names. For example, if you see n, you would say /n/. Point to the letter as you say the sound."

m	f	t	s	b	w
k	d	r	v	n	j
l	g	p	h	z	y
qu	th	sh	ch	wh	ng

### High-Frequency Words

Say: "Here are some words for you to read. Point to them as you read them." (Encourage the student to try the next one if he or she doesn't know a word within three seconds.)

see	my	have	to	she	all	some
was	of	any	where	put	for	are
they	over	what	would	these	which	your
every	once	things	does	right	because	answer
done	always	much	pull	heart	whole	although

### Letter-Sound Correspondences: Short and Long Vowels

(Students recall the sound.) Say: "I'm going to show you some more letters. Tell me the short vowel sound each one stands for."

i	u	a	o	e
---	---	---	---	---

Say: "Now, tell me the long sound for each vowel." (If the student doesn't know how to respond, tell him or her that the long vowel can be found in the letter's name.)

i	u	a	o	e
---	---	---	---	---

What skill development have students in my class made from the fall to the winter?

## Using the Student Matrix Report

- On the Benchmark Matrix Report, you'll see a color-coded scoring measure of how each student in a class performed on the major components of reading development. Use the BPS Benchmark One-Page (above) to support analysis.
- Only the most recently completed test will be shown on this report. Use the drop-down menu to see performance on past administrations.

## Where are kids right now?

# Leaders: The learning walk tool

## Early Word Recognition Learning Walk Tool

The Early Word Recognition Learning Walk Tool is a companion for the [Early Word Recognition Lesson Plan Tool](#) and is intended to support the teaching and learning shifts educators make to provide equitable and excellent education for all students. We encourage educators to partner with their colleagues, coaches, and school leaders and use this learning walk tool to identify trends at the classroom, school, and district levels.
